Our thoughts and sincere prayers are with the family of Bryce Alber, father of Paige, as they mourn his loss.

Have you ever had to stop and ask someone for directions? Maybe you heard something like...."Take a left where the old school house used to be – it burned down years ago – and then go right at the Krueger farm. They moved away 18 years ago, but we still call it the Krueger farm. After that drive on a spell and then...." You get the idea. Some directions are extremely hard to follow. It would be much easier if someone just said, "Follow me, and I'll take you right to your destination." Well – that's what Jesus does for us. He doesn't require us to perfectly keep all laws, and travel from this life to the next on our own, because we can't. He has invited us to follow Him. The Holy Spirit shows us that Jesus is the one, the only way a sinner can be saved. Matthew 16:24 says it simply, "Follow Me." We here at WLS are privileged to share that wonderful, simple message of following Jesus on a daily basis. Teachers and staff are blessed with many opportunities to point children and each other to the cross of Christ and its saving message. Thank you for providing us with your support through your prayers and your gifts.

Woodburn Lutheran School will be hosting an open house on Sunday, February 19th, from 2:00 – 5:00 p.m. for current and prospective families.

There will be refreshments, tours of the classrooms, and information on the application process, tuition assistance, and the Indiana Parent Choice Voucher program.

The WLS wrestling team started practicing this week. Thank you to Brian Kitzmiller and Logan Buuck for volunteering to coach the boys this season. The first meet will be Tuesday, February 21st. We are looking forward to a great season!

Thank you to Patsy and Todd Wiedemann and all of their wonderful helpers and coaches for another successful season of Youth Basketball. We are very grateful for all of the planning, preparing, and volunteer hours put in by these individuals.

Portable CD players – If you have an old individual CD player (Walkman, Discman, etc.) that is no longer being used at home, please consider donating it to the school. Various classrooms here at WLS could make good use of these devices in their listening centers. Thank you!

Old school desks are available! If you would like some old school desks, stop by the office and take a look at what we have available. Any donations would be appreciated and will be used to start a desk replacement fund to purchase new desks at some point in the future. Thank you!
